

# ENOC PROTEC 4T ULTRA SPECIAL 10W-40

ENOC PROTEC 4T ULTRA SPECIAL 10W-40 is a modern technology gasoline motorcycle engine oil developed specifically to meet the special requirements of the latest high-performance air and Liquid cooled 4-stroke motorcycles. Specially formulated to provide excellent protection to engine, gearbox and wet clutch used in 4-stroke motorcycles. ENOC PROTEC 4T ULTRA SPECIAL 10W-40 exceeds the requirements of API SN and JASO MA2 for 4-stroke motorcycle oils recommended by leading global 4-stroke motorcycle manufacturers.

## APPLICATIONS

- ◆ Air and Liquid cooled four-stroke motor cycle engines.
- ◆ Four-Stroke motor cycles with integral wet clutch operation
- ◆ Four stroke motor cycle with exhaust catalytic converter

## PERFORMANCE STANDARDS

ENOC PROTEC 4T ULTRA SPECIAL 10W-40 meets and exceeds the following International Specifications:

API SN  
JASO MA 2

**Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.**

## BENEFITS

ENOC PROTEC 4T ULTRA SPECIAL 10W-40 provides:

- ◆ Outstanding heat resistant formula keeping engine parts clean
- ◆ Proven anti-wear additive system helps to reduce wear in highly stressed engine and gearbox component under severe operating conditions.
- ◆ Provides power protection owing to better clutch engagement
- ◆ Protects seal components leading to better oil consumption control
- ◆ Easy all year round starting
- ◆ Effective rust and corrosion inhibition property ensures longer life of critical engine components

Technical Data	
SAE Grade	10W-40
Kinematic Viscosity	
mm <sup>2</sup> /s @ 40°C	94.1
mm <sup>2</sup> /s @100°C	14.0
Viscosity Index	152
Flash Point, COC, °C	230
Pour Point, °C	-36
Phosphorus% Min	0.08
Product Code	220040

\*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

**HEALTH AND SAFETY, ENVIRONMENT** The information on this product is available in the ENOC Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
