

ENOC PROTEC SPECIAL

PRODUCT DESCRIPTION

ENOC PROTEC SPECIAL offers a superior quality multigrade motor oil formulated to meet most American, European and Japanese car manufacturers' specifications. Its formulation is specifically designed for city operations where traffic conditions involve stop - start vehicle patterns as well as general long distance driving.

APPLICATIONS

- ◆ Light duty vehicles with naturally aspirated engines- Passenger Cars, CNG and Diesel.
- ◆ Gasoline four stroke engines used in many light duty applications
- ◆ Ideal for multi-trip mini vans

PERFORMANCE STANDARDS

PROTEC SPECIAL meets the following International specifications:

API SF, CD

Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

PROTEC SPECIAL provides:

- ◆ Prolonged engine life through excellent wear protection of engine components
- ◆ Superior oil consumption control through advanced detergent/dispersant technology
- ◆ Reduced engine deposits, varnish and lacquer
- ◆ Suitability for older engines

Technical Data*	
SAE Grade	20W-50
Kinematic Viscosity	
mm ² /s @ 40 °C	167
mm ² /s @ 100 °C	18.6
Viscosity Index	125
Flash Point, COC, °C	240
Pour Point, °C	-24
Total Base Number (D-2896)	6
Product Code	210061

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the ENOC Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
