

# ENOC VULCAN 765X

## PRODUCT DESCRIPTION

**ENOC VULCAN 765X** is a Super High-Performance long drain diesel engine oil meeting the latest API CI-4 standard available in a shear stable viscosity grade. It offers the excellent performance for fleet operators wanting long engine life in modern long-haul diesel trucks operating with low emission engine standards meeting Euro IV and for extended drain periods. The product is manufactured with highly refined mineral base API approved base oils and chemical additives qualifying API CI-4.

## APPLICATIONS

**ENOC VULCAN 765X** is a Super High-Performance long drain diesel engine oil meeting the latest API CI-4 standard

- ◆ Mixed fleets of automotive diesel truck manufacturers
- ◆ Modern low emission high performance automotive diesel engines - Euro IV
- ◆ All vehicle makes used in long distance transport with extended oil drain capabilities
- ◆ Heavy duty Mobile Plant vehicles
- ◆ Diesel generator sets

## PERFORMANCE STANDARDS

**VULCAN 765X** Meet the performance requirements of API CI-4/SL

***Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.***

## BENEFITS

**VULCAN 765X provides:** "Triple E" advantage:

- ◆ Excellent engine protection due to higher oil film strength- Peace of mind against breakdown
- ◆ Efficient engine cleanliness ensuring smooth engine running with less downtime
- ◆ Engineered to go extra kilometres with less lubricant consumption, less downtime, less maintenance, and repair costs

Technical Data*	
<b>SAE Grade</b>	<b>15W- 40</b>
Kinematic Viscosity	
mm <sup>2</sup> /s @ 40°C	109
mm <sup>2</sup> /s @100°C	14
Viscosity Index	133
Flash Point, COC, °C	228
Pour Point, °C	-30
BN No. ASTM D2896	10.3
Product Code	200087

\*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

**HEALTH AND SAFETY, ENVIRONMENT** The information on this product is available in the ENOC Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
